Jinane Annous, Superintendent  
Mission Union Elementary School District  
36825 Foothill Road  
Soledad, CA 93960

Dear Superintendent Annous:

Thank you for submitting the Mission Union Elementary School District's Local Control Accountability Plan (LCAP) for review. We appreciate the extensive work in which the District has engaged and the collaboration with MCOE to develop its LCAP. It gives me great pleasure to inform you that the District's 2018-20 LCAP has been approved.

The District's LCAP is a unique reflection of your community's needs, priorities, and goals. Including all voices in the LCAP process is clearly important to Mission. The tremendous effort to engage and inform parents and all stakeholders is evident through the CA Dashboard informational meetings held, as well as the careful reviewing of the final LCAP document.

We at MCOE look forward to supporting Mission Union's mission in providing every student enrolled at Mission School access to a challenging and comprehensive curriculum presented by a passionate and dynamic staff in a learning environment that emphasizes enthusiasm, responsibility and respect. The goals and actions listed in your LCAP demonstrate how you will work together as a team to fulfill the vision you have for your district and your students. MCOE is excited to see Mission Union continue to grow and expand services to meet the needs of students and the community in the 2018-19 school year.

The entire District and community are to be commended for its excellent work. Now is the time to post the approved LCAP on your District's website. Please contact our Assistant Superintendent of Educational Services, Caryn Lewis, if we can provide any support or assistance in implementing the action and services outlined in the LCAP in the year ahead.

Sincerely,

Nancy Kotowski, Ph.D.
