School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Principal's Message

Mission School is deeply rooted in tradition. Many of the students come from families that have generations of family members, both immediate and extended, who attend or have attended Mission School. Faculty and staff work together to provide diverse and challenging opportunities so that students are nurtured as individuals and as members of the community. The teachers provide interesting, creative and challenging lessons that bring out the best in each student. We work daily to encourage behavior and interaction that is respectful and safe. Students are recognized every trimester for citizenship, responsibility, caring, fairness, respect, trustworthiness, self-improvement, academic achievement, athletic achievement and attendance.

Parent participation, in conjunction with a motivated and determined staff, are the foundations to our success both inside and outside the classroom. Our PTO provides funds that support teachers in and out of the classroom. They sponsor key educational field trips to enhance the science and history curriculum. On alternating years they sponsor science camps. One year the fifth and sixth grade class attends a four day camp at Camp Ocean Pines in Cambria California. The following year the seventh and eighth grade class attends a four day camp at Yosemite. In addition to key field trips, they sponsor our Grandparent's Day, Thanksgiving Feast and our Fun Day the last day of school. Through their efforts we continue to provide students with a diverse and rich educational experience.

The Mission Union School District completed the new construction of six classroom buildings in the spring of 2009 and the modernization of the old buildings in the fall of 2009. The generosity of a local benefactor has provided Mission Union School District with funds to employ full time music and art programs since 2009.

SCHOOL PROFILE

Mission Union School District is a one-site district situated in the quiet agricultural community of Soledad. Located in Monterey County, approximately 25 miles south of Salinas, Soledad was originally founded as a Spanish mission town in 1791.

Mission School Provides students with a traditional curriculum that includes the integration of hands-on projects to apply lessons learned in real-world contexts. The school's small size allows for teachers to provide each student with individual attention to ensure academic success. During the 2017-18 school year, 131 kindergarten through eighth grade students were enrolled at the school.

MISSION STATEMENT

Our mission is to provide every student enrolled at Mission School access to a challenging and comprehensive curriculum presented by a passionate and dynamic staff in a learning environment that emphasizes enthusiasm, responsibility and respect. We are dedicated to the principle that what is taught here is not an education, but the means by which to become educated.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	8.0	8.0	8.0	
Without Full Credential	0	0

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: June, 2017

The Mission Union School District held a Public Hearing on September 14, 2016 and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. Core subject textbooks and instructional materials are provided for each student, including English learners. Standards-aligned text and materials are reserved both for use in the classroom and to take home.

The district is in the process of completing the adoption of CCSS curriculum. MUSD adopted mathematics in the 2015-16 school year and is currently in the process of adopting ELA for the 2016-2017 school year. Textbooks currently in use (as of July 1, 2016) at Mission School are displayed in the chart.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	K-6: Houghton Mifflin 7-8: McDougal Littell	Yes	0.0
Mathematics	K-8: Houghton Mifflin GO MATH!	Yes	0.0
Science	K-5: MacMillan/ McGraw Hill 6-8: Prentice Hall	Yes	0.0
History-Social Science	K-5: Pearson Scott Foresman 6-8: Holt, Rinehart & Winston	Yes	0.0

School Facility Conditions and Planned Improvements (Most Recent Year)

Mission School was originally constructed in 1977, with a new 6 classroom building added in 2009. Mission School is comprised of 9 classrooms, a multipurpose room, three mobile computer labs, a library, and one playground.

Cleaning Process

The district governing board has adopted cleaning standards for the school. The Superintendent/Principal works routinely with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District Superintendent/Principal and maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order log is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms were in working condition.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	46	38	46	38	48	48
Mathematics (grades 3-8 and 11)	18	33	18	33	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	90	90	100	37.78
Male	42	42	100	30.95
Female	48	48	100	43.75
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	65	65	100	30.77
White	22	22	100	50
Socioeconomically Disadvantaged	15	15	100	20
English Learners	18	18	100	0

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	90	90	100	33.33
Male	42	42	100	19.05
Female	48	48	100	45.83
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	65	65	100	29.23
White	22	22	100	40.91
Socioeconomically Disadvantaged	15	15	100	6.67
English Learners	18	18	100	0

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	47	50	47	50	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	6.2	43.8	25
7	25	25	31.2

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

The parents of Mission students are actively involved in all aspects of their child’s education, which greatly benefits the child as well as the school as a whole. Parents may join the Parent-Teacher Organization (PTO), which holds many fundraisers each year and organizes parent volunteers in classrooms and for field trips.

Parents who wish to participate in Mission School’s leadership teams, school committees, school activities, or become a volunteer may contact the school’s office at (831) 678-3524.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2017-18)

Mission School’s Site Safety Plan is revised annually in the fall by the principal. The Safety Plan focuses on student and staff safety, as well as disaster procedures. All staff members have copies of the plan and any revisions are communicated annually.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Earthquake preparedness and fire drills are held each month on a rotating basis. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations and emergency supplies are available.

Safety of students is a priority of the school staff. Students are supervised throughout the day by staff members and three instructional aides. There is a designated area for student drop-off and pick-up in front of the school. Visitors to the school must register at the office, where they receive identification badges that must be displayed at all times.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2014-15			2015-16			2016-17					
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

Percent of Budget for Administrative Salaries	8%	7%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

As part of the growth process, opportunities for training and staff development are provided at both the site and various outside locations for administrators, teachers, and classified staff. The district offered three days of staff development annually for the last four years. We will be developing a Professional Development Plan in order to account for the one time Mandated Costs reimbursements from the state in the 2017-18 school year.
